THE AKORA PARTY IN A PARK EXPERIENCE

As we look forward to the Achimota School Centenary, the need to reconnect has never been greater. *Akora Party in the Park* brings Akoras, family and friends together to renew old friendships and build new connections.

The event provides a relaxed setting for meaningful networking across Year Groups and generations. It is an opportunity to reconnect with former classmates, meet Akoras from different professional backgrounds, exchange ideas, explore opportunities for collaboration and strengthen relationships within the wider Achimota community.

It is also a time to focus on wellbeing. Yes, step away from the demands of everyday life, enjoy good company, share laughter, music, food and simply recharge with family and friends. With games, entertainment, food, drinks and plenty of opportunities to mingle, *Akora Party in the Park* promises something for everyone.

It is a chance to celebrate the friendships and values that have endured over the years while welcoming family and friends into the wider Akora community.

As we look ahead to the Centenary and the next chapter of Achimota's story, let's come together to celebrate our past, strengthen our connections and look forward to the Centenary Celebrations.

Come reconnect, build relationships, share experience.

For once, **Gating is allowed!**
